- 4-digits by 1-digit/2-digit
- Multiply whole numbers by 10,100 and 1000.

### Divide:

- 4-digits by 1-digit.
- Divide whole numbers by 10,100 and 1000.
- Recognise mixed numbers & fractions & convert from one to another.
- Multiply proper fractions by whole numbers.
- Solve time problems using timetables and converting between different units of time.
- Explain their reasoning and justifying their solutions

# Marsh Lane Primary School

## End of Year Expectations Year 5

This booklet provides information for parents and carers on the end of year expectations for children in our school. The National Curriculum outlines these expectations as being the minimum requirements your child must meet in order to ensure continued progress.

All the objectives will be worked on throughout the year and will be the focus of direct teaching. Any extra support you can provide in helping your children to achieve these is greatly valued.

If you have any queries regarding the content of this booklet or want support in knowing how best to help your child please talk to your child's teacher.
